The Ethiopian Orthodox Tewahedo Church Diocese Secretariat in Italy and The Surrounding was sad to receive the news about the sudden death of the Pope of Roman Catholic Church Benedict xvi.

On behalf of the Ethiopian Orthodox Tewahedo Parishes in Italy and the surrounding as well as on my own, I express sincerest and deepest condolences to all who mourn the passing away of the Benedict xvi Pope of the Roman Catholic Church. His role in preserving and augmenting the role of the Roman Catholic Church is invaluable and his legacy is precious. His decease is a great loss for the whole Catholic world. We grieve with the people of Italy and Catholic Church followers.
